

PRESS RELEASE

The Russian Diamonds Trading Week in Dubai

Kristall (Middle East) DMCC, a subsidiary of Kristall Production Corporation, the major Russian polished diamonds manufacturer, in its efforts to render the best possible services in the Gulf region, is carrying out this year's edition of "The Russian Diamonds Trading Week".

Diamond traders and manufacturers are kindly invited to examine a wide selection of Russian Make polished diamonds certified by GIA, HRD and IGI, as well as rough diamonds originating from Russian sources.

The goods will be available for examination in the company's offices in Almas Tower, Dubai, O.A.E., **from December 8 till December 12, 2013.**
