

KRISTALL PRODUCTION CORPORATION

PRESS RELEASE

August 17, 2017

Dear clients and industry members!

We would like to draw your attention to the increasing cases of fraud with providing the false payment details for products and services by counterfeits who claim to be well-known Russian companies.

In case you receive a business offer on behalf of Kristall Production Corporation containing any bank details, we recommend you to contact our Sales Department managers to check up its authenticity and actuality.

Be careful when signing any contracts or agreements and making any relevant payments. It is imperative to check with authorised representatives of the company that the payment details are correct.
